

Tappan Zee High School Parent Teacher Student Association

Do you have questions about Problem Based Learning

Do you want answers to those questions

Parents, you'll want to attend the **December 16th** PTSA meeting...

IDE Corporation President & Founder Dr. Nancy Sulla
will be presenting an information session on

Problem Based Learning...

IDE Corp is SOCSO's professional development partner.

- Learn what PBL is, and how is it taught at the High School
- Have your questions answered by those teaching our teachers
- See examples of actual classroom lessons demonstrated

District administration will also be on hand with recently updated information to help educate the community about problem-based learning and the implementation of this approach to teaching and learning in the South Orangetown Central School District.

Date: Monday December 16, 2013

Time: 7:30pm

Place: TZHS Library

ALL ARE WELCOME

Barnes & Noble has generously agreed to provide refreshments at this meeting
